Made with Melted Crayons

Shawty told me that she got a yellow fever. Baby, you bugging.

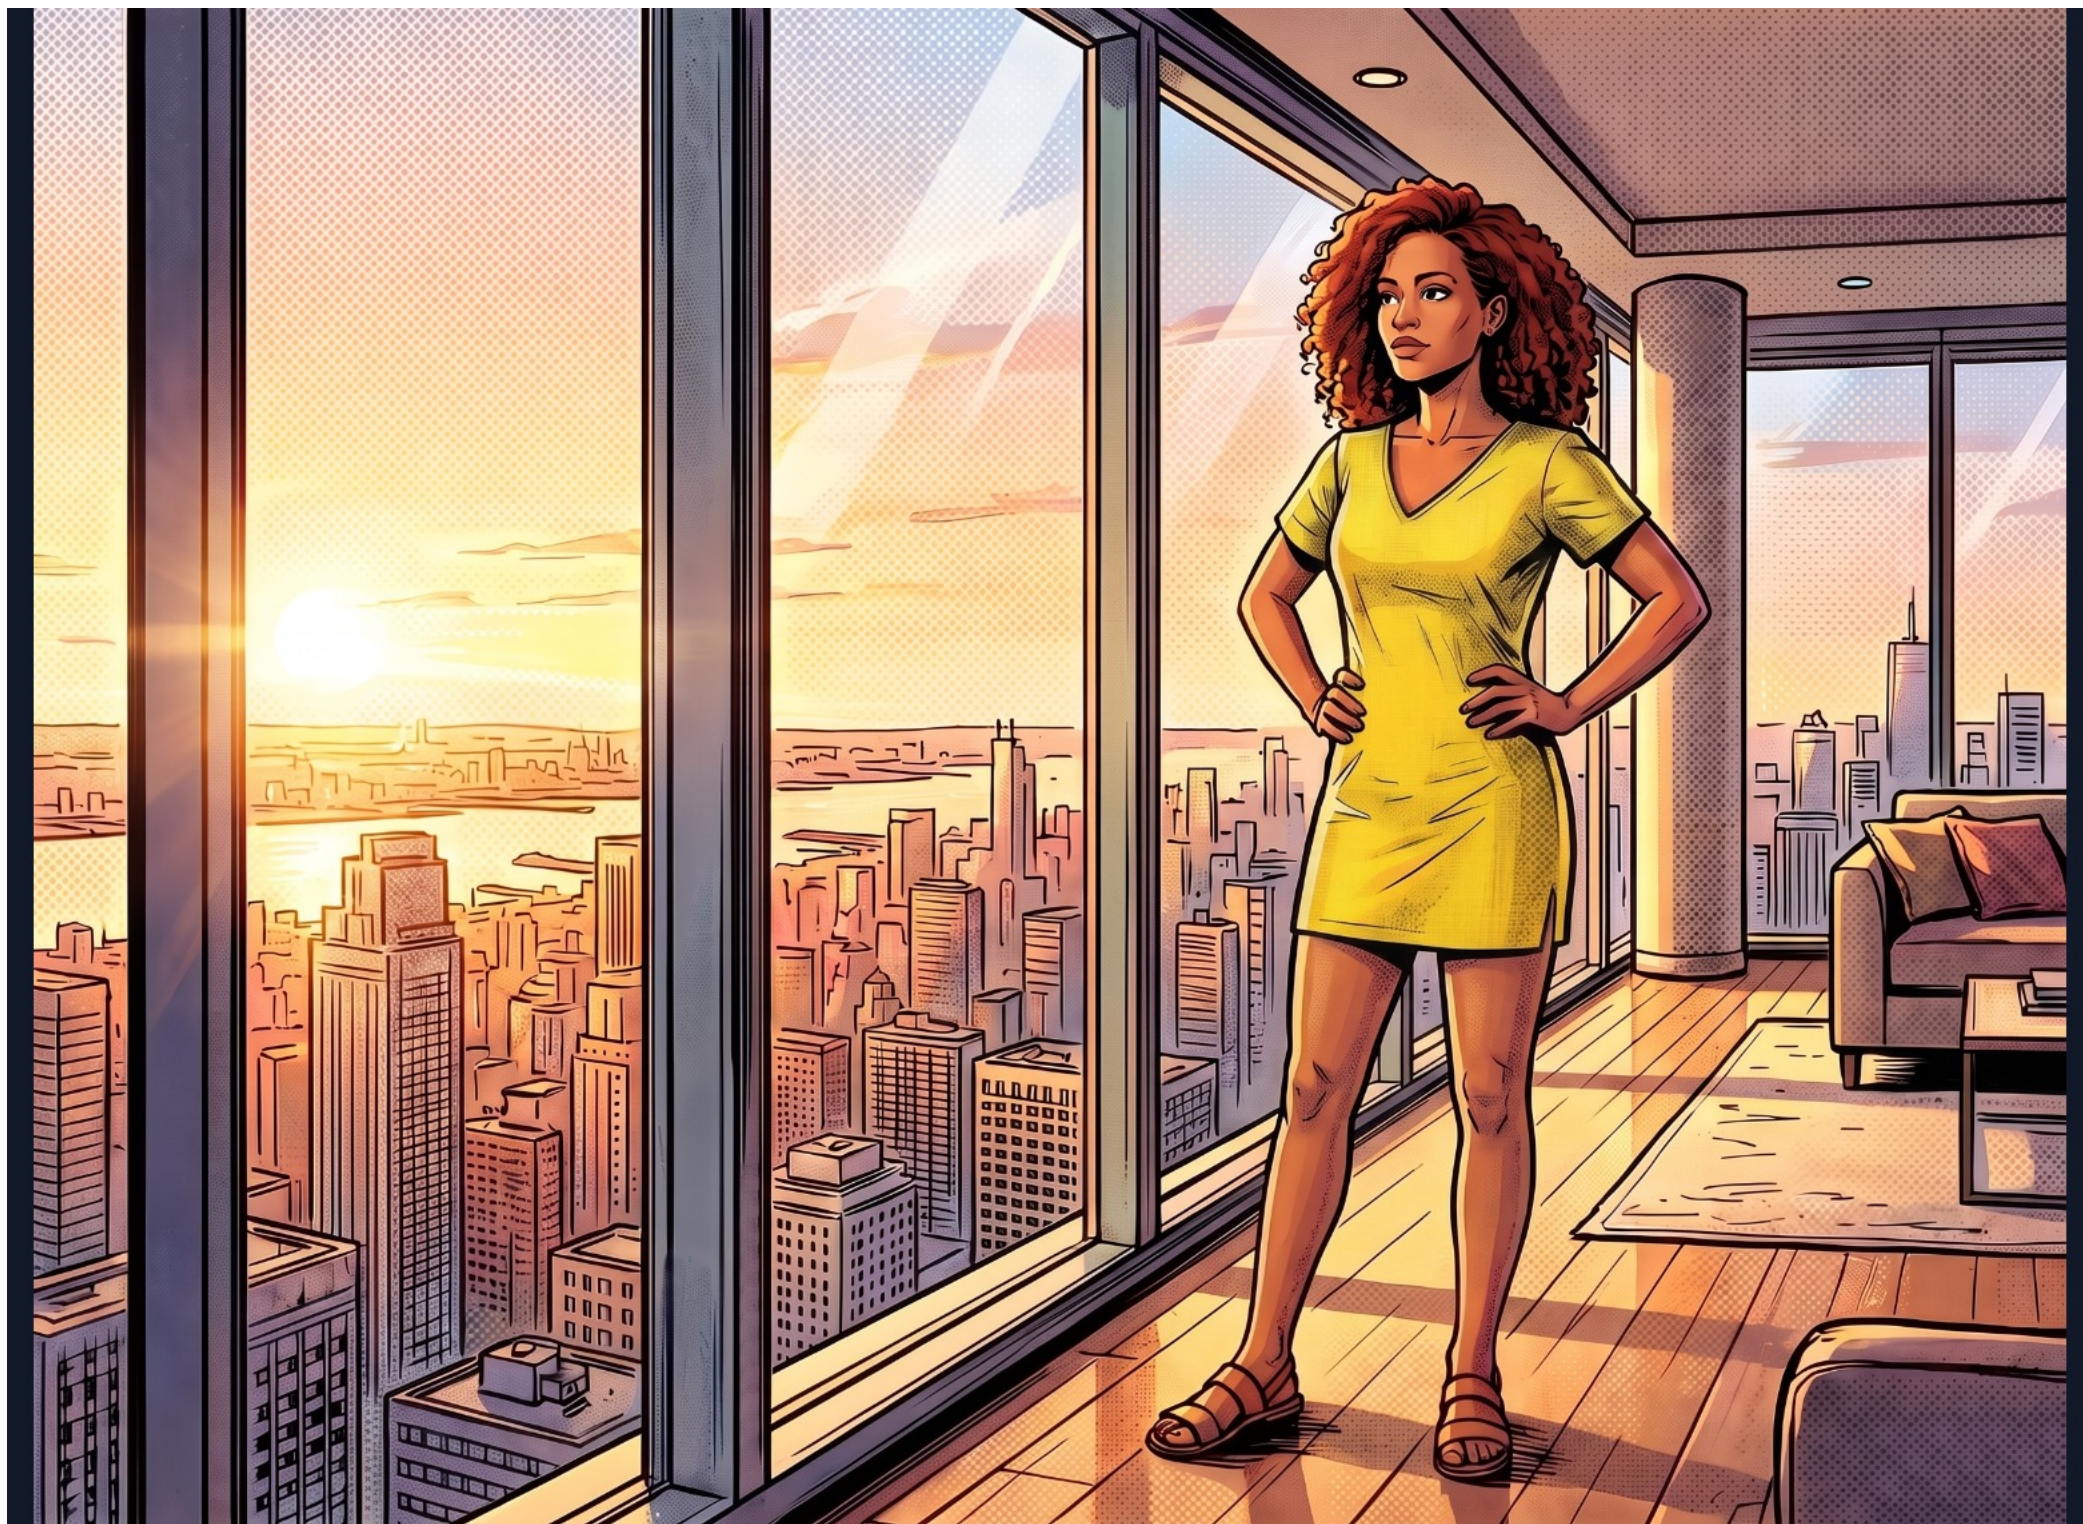

Bu-bu-bugging. Bu-bu-bugging.

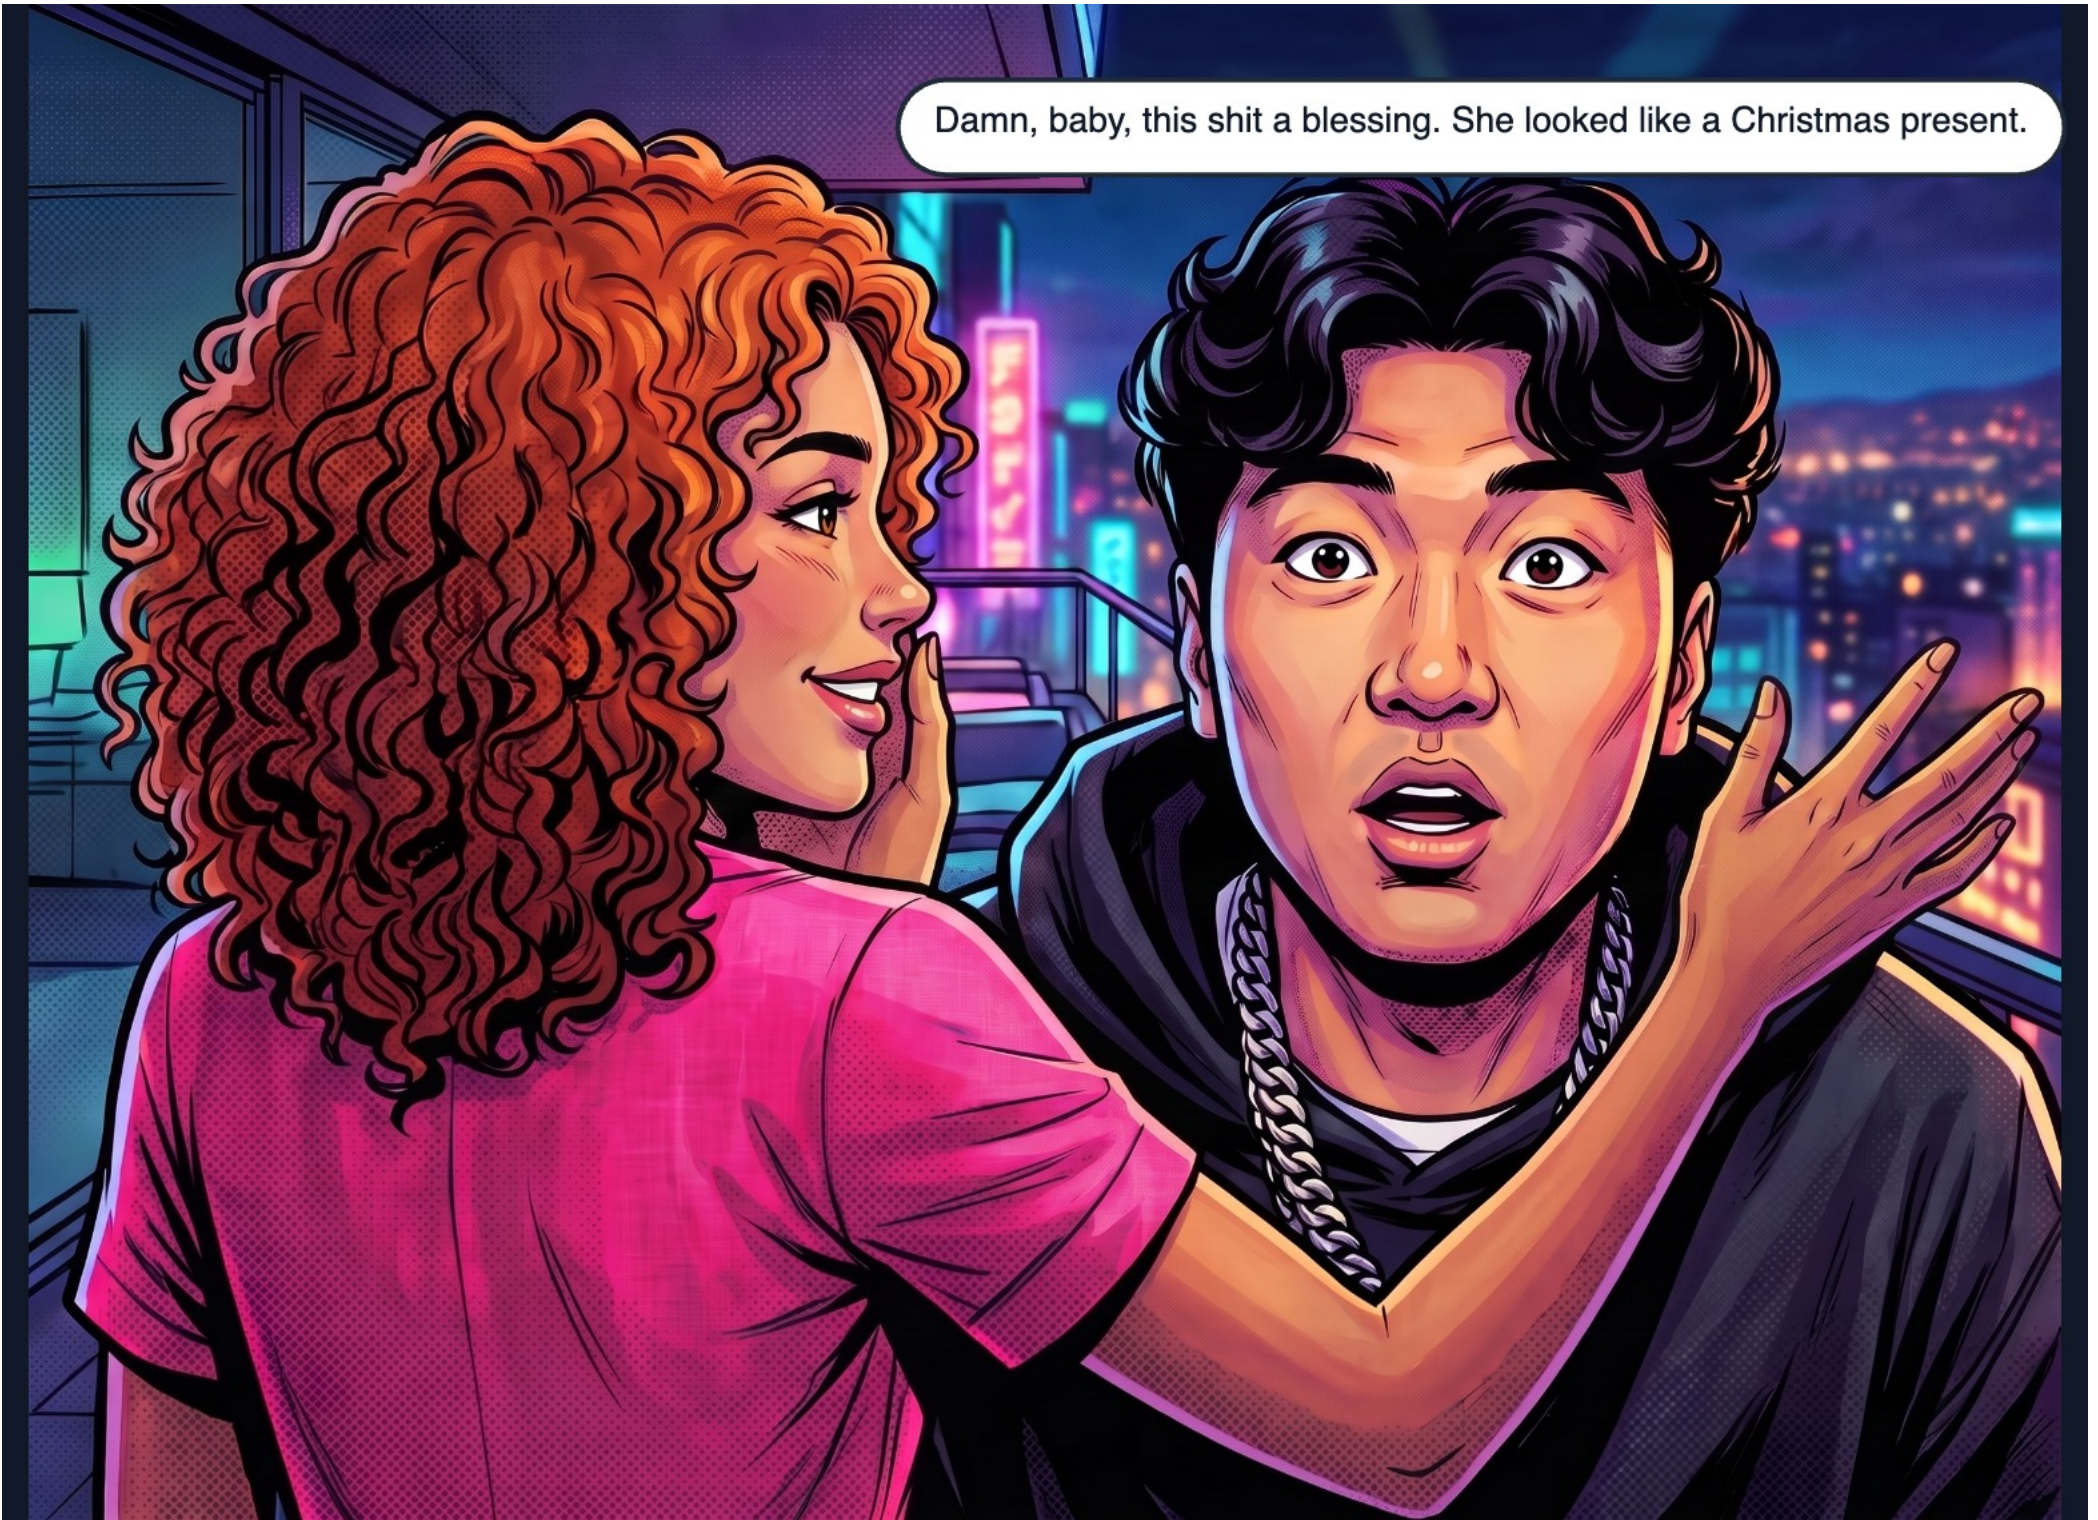

Damn, baby, this shit a blessing. She looked like a Christmas present.

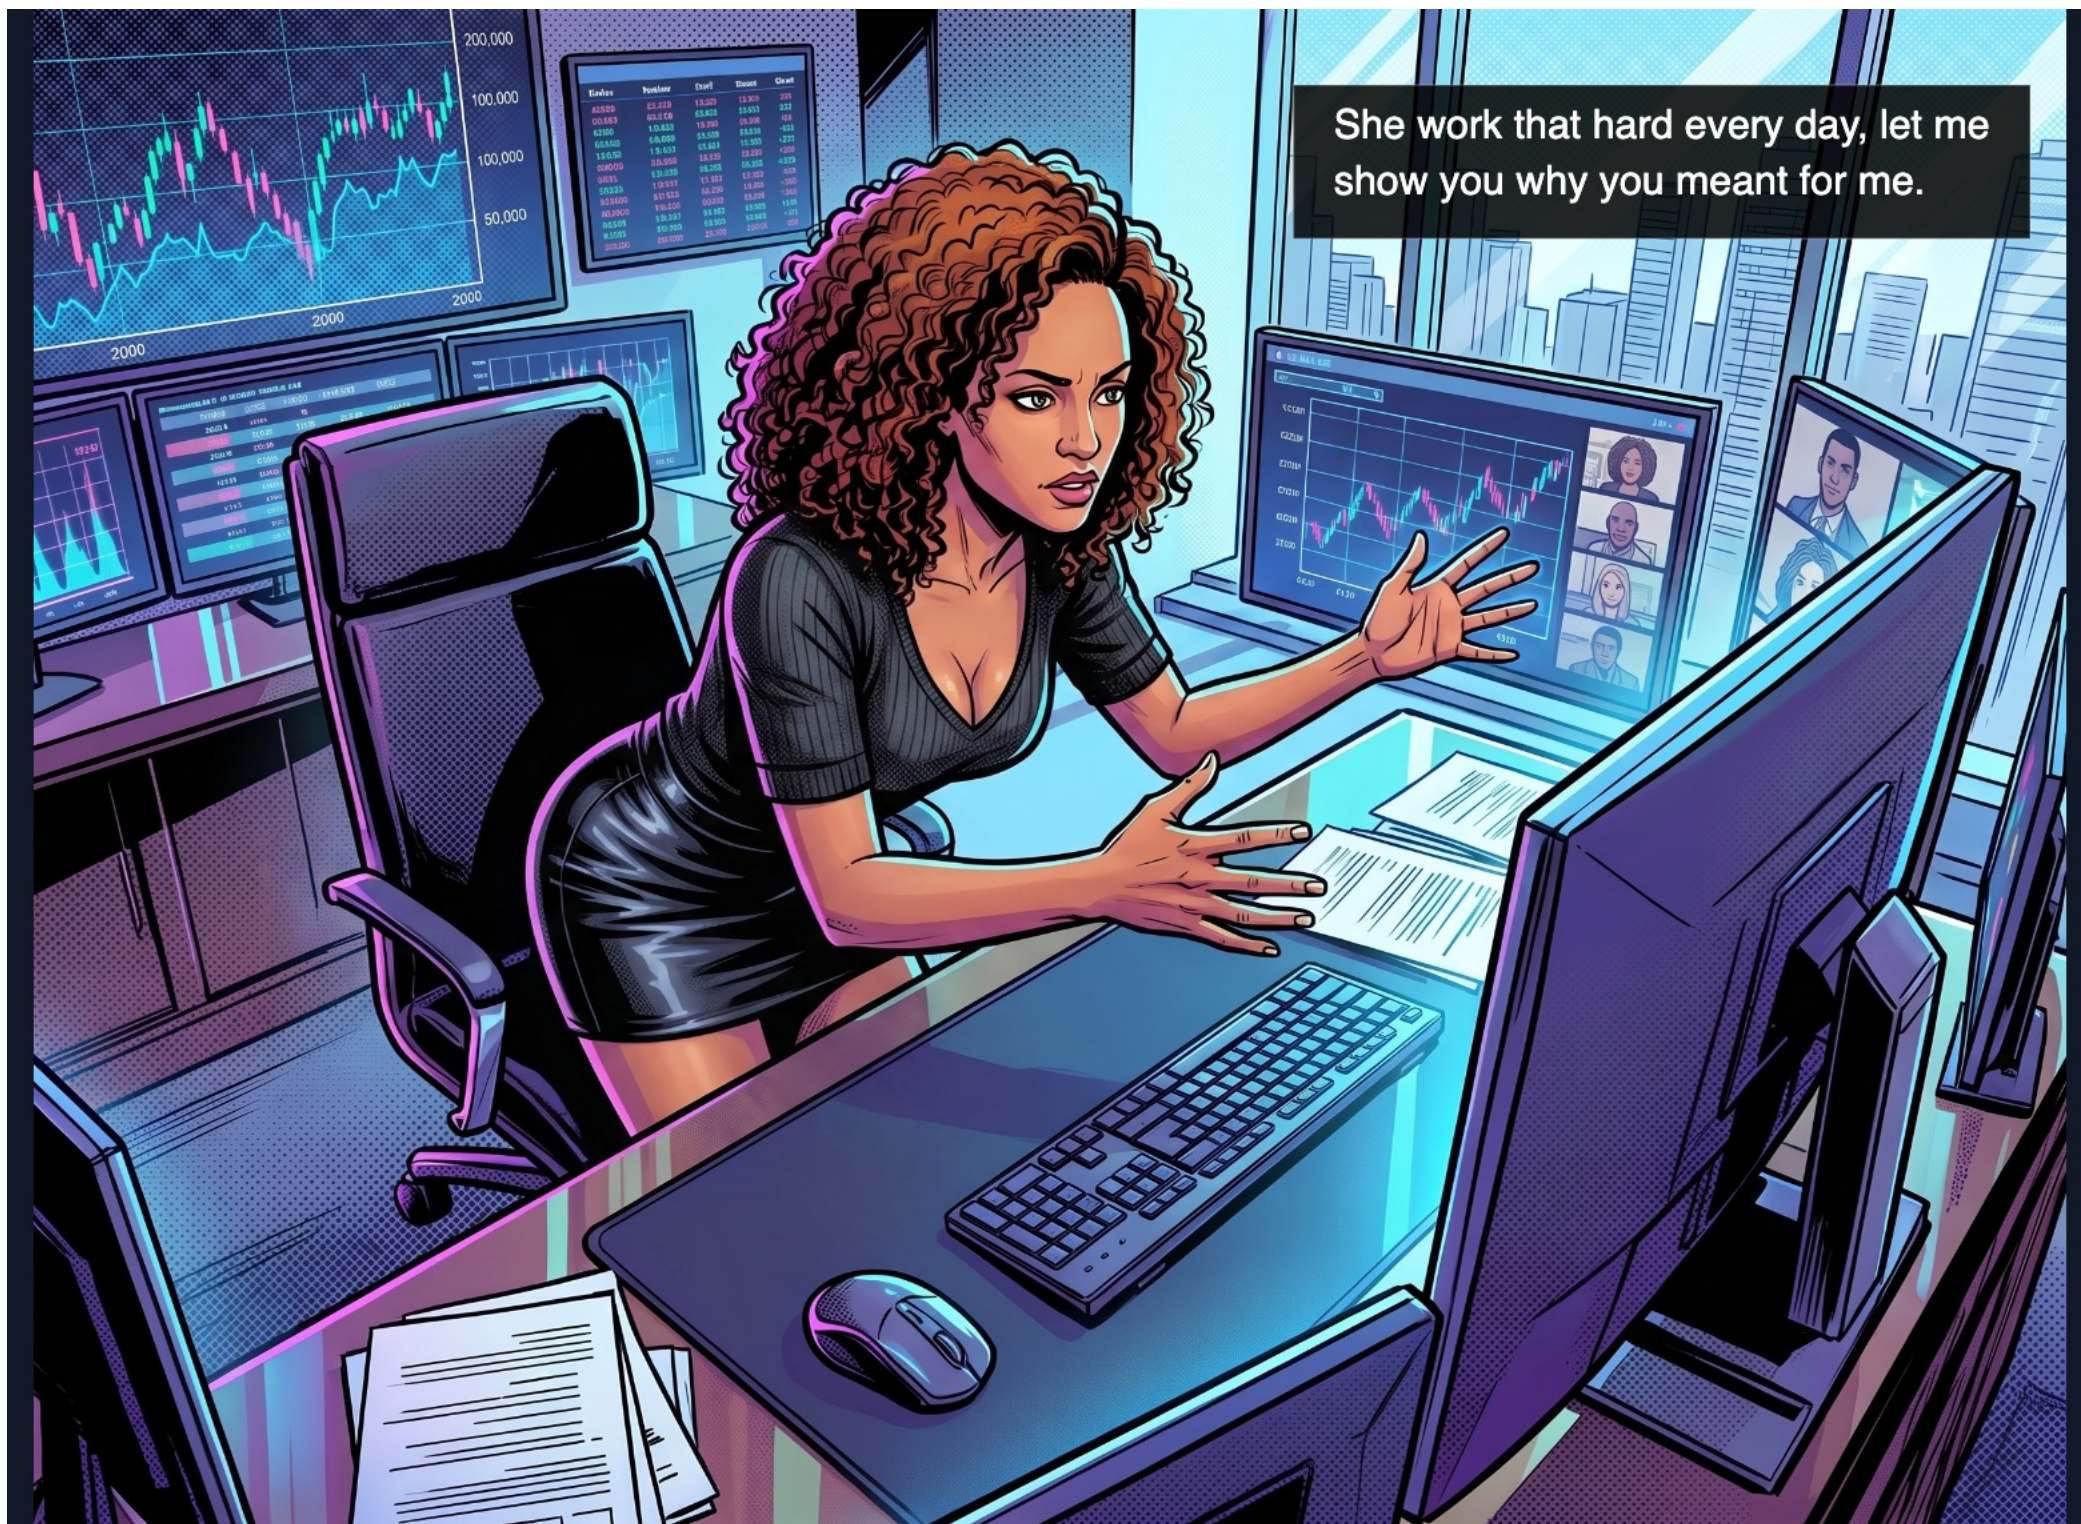

Damn, baby, you grown. I guess I'm an investment.

Queens get the money, BK get the bag.

She gon' throw it back when I go bust around.

She got me bugging.

I'ma need all my nerds, freaks, geeks, up to the front!

Baby, my lovin' ain't free, but  
with double the price, I'ma  
make sure I'm lovin' you  
right.

Ladies, if you got, got a little munyun, I'm tryna, uh, uh.

She got me bugging. Baby, you bugging.
