SHE GOT ME BUGGIN'

Back in the day...

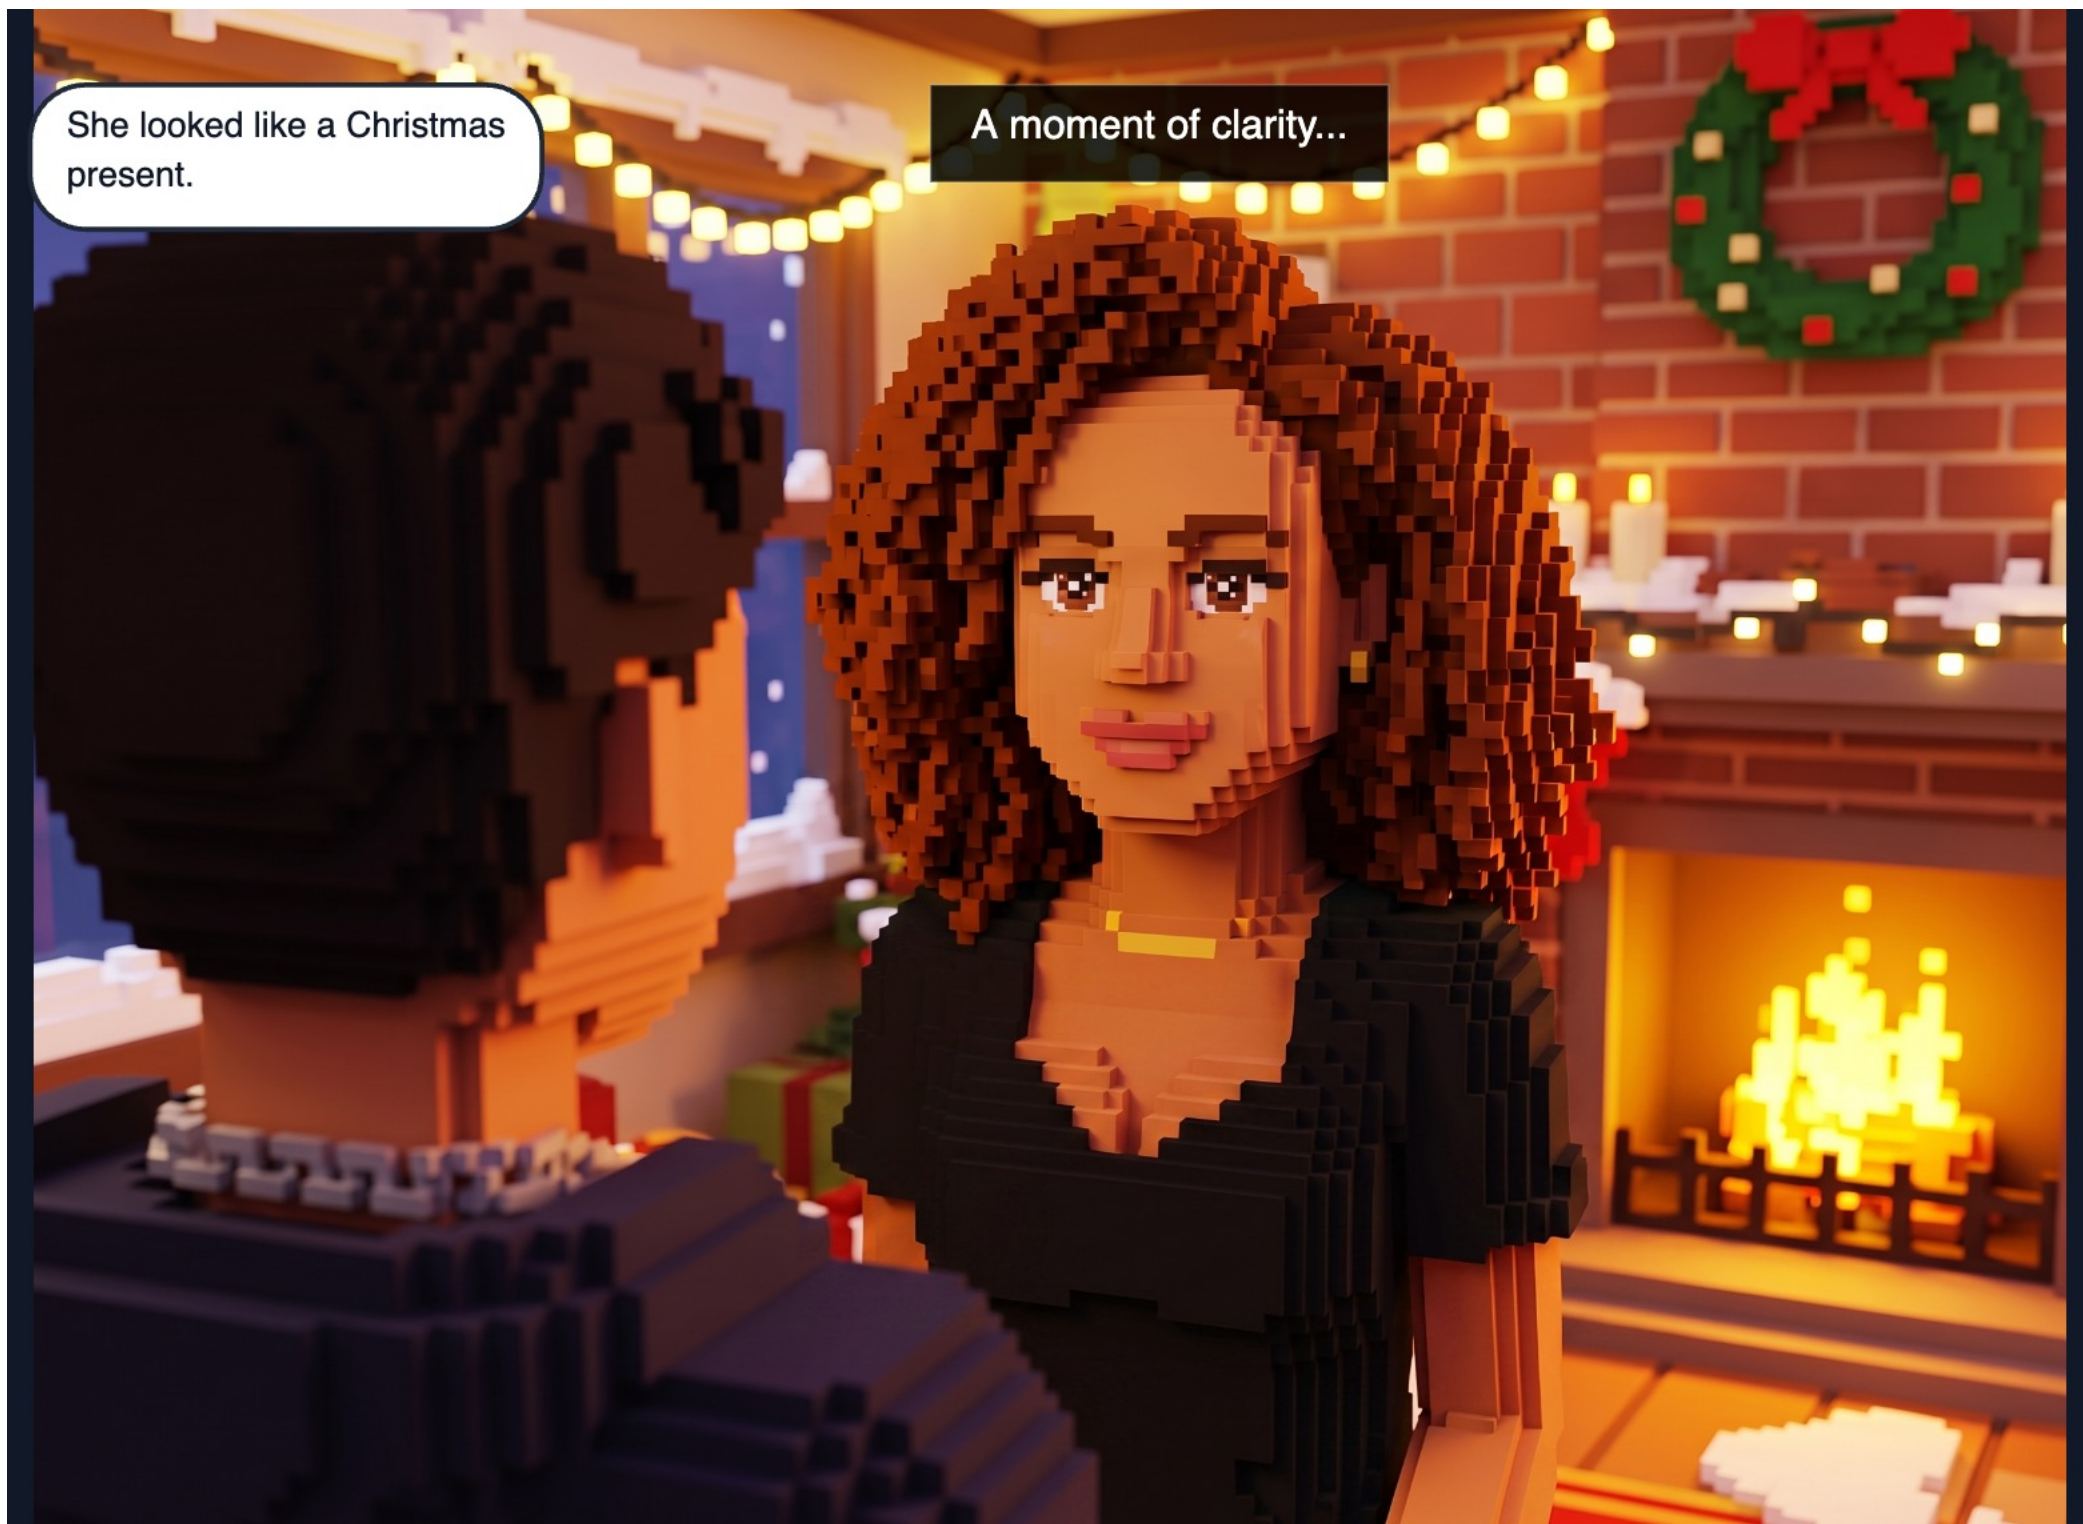

Saw this lil' baddie, confessin' that she got a fatty.

She looked like a Christmas present.

A moment of clarity...

Damn, baby, you grown. I guess I'm an investment.

Dinner's on me tonight, darling.

Mm, she got me bugging!

Old-school money.

Damn, baby, you
know my kink!

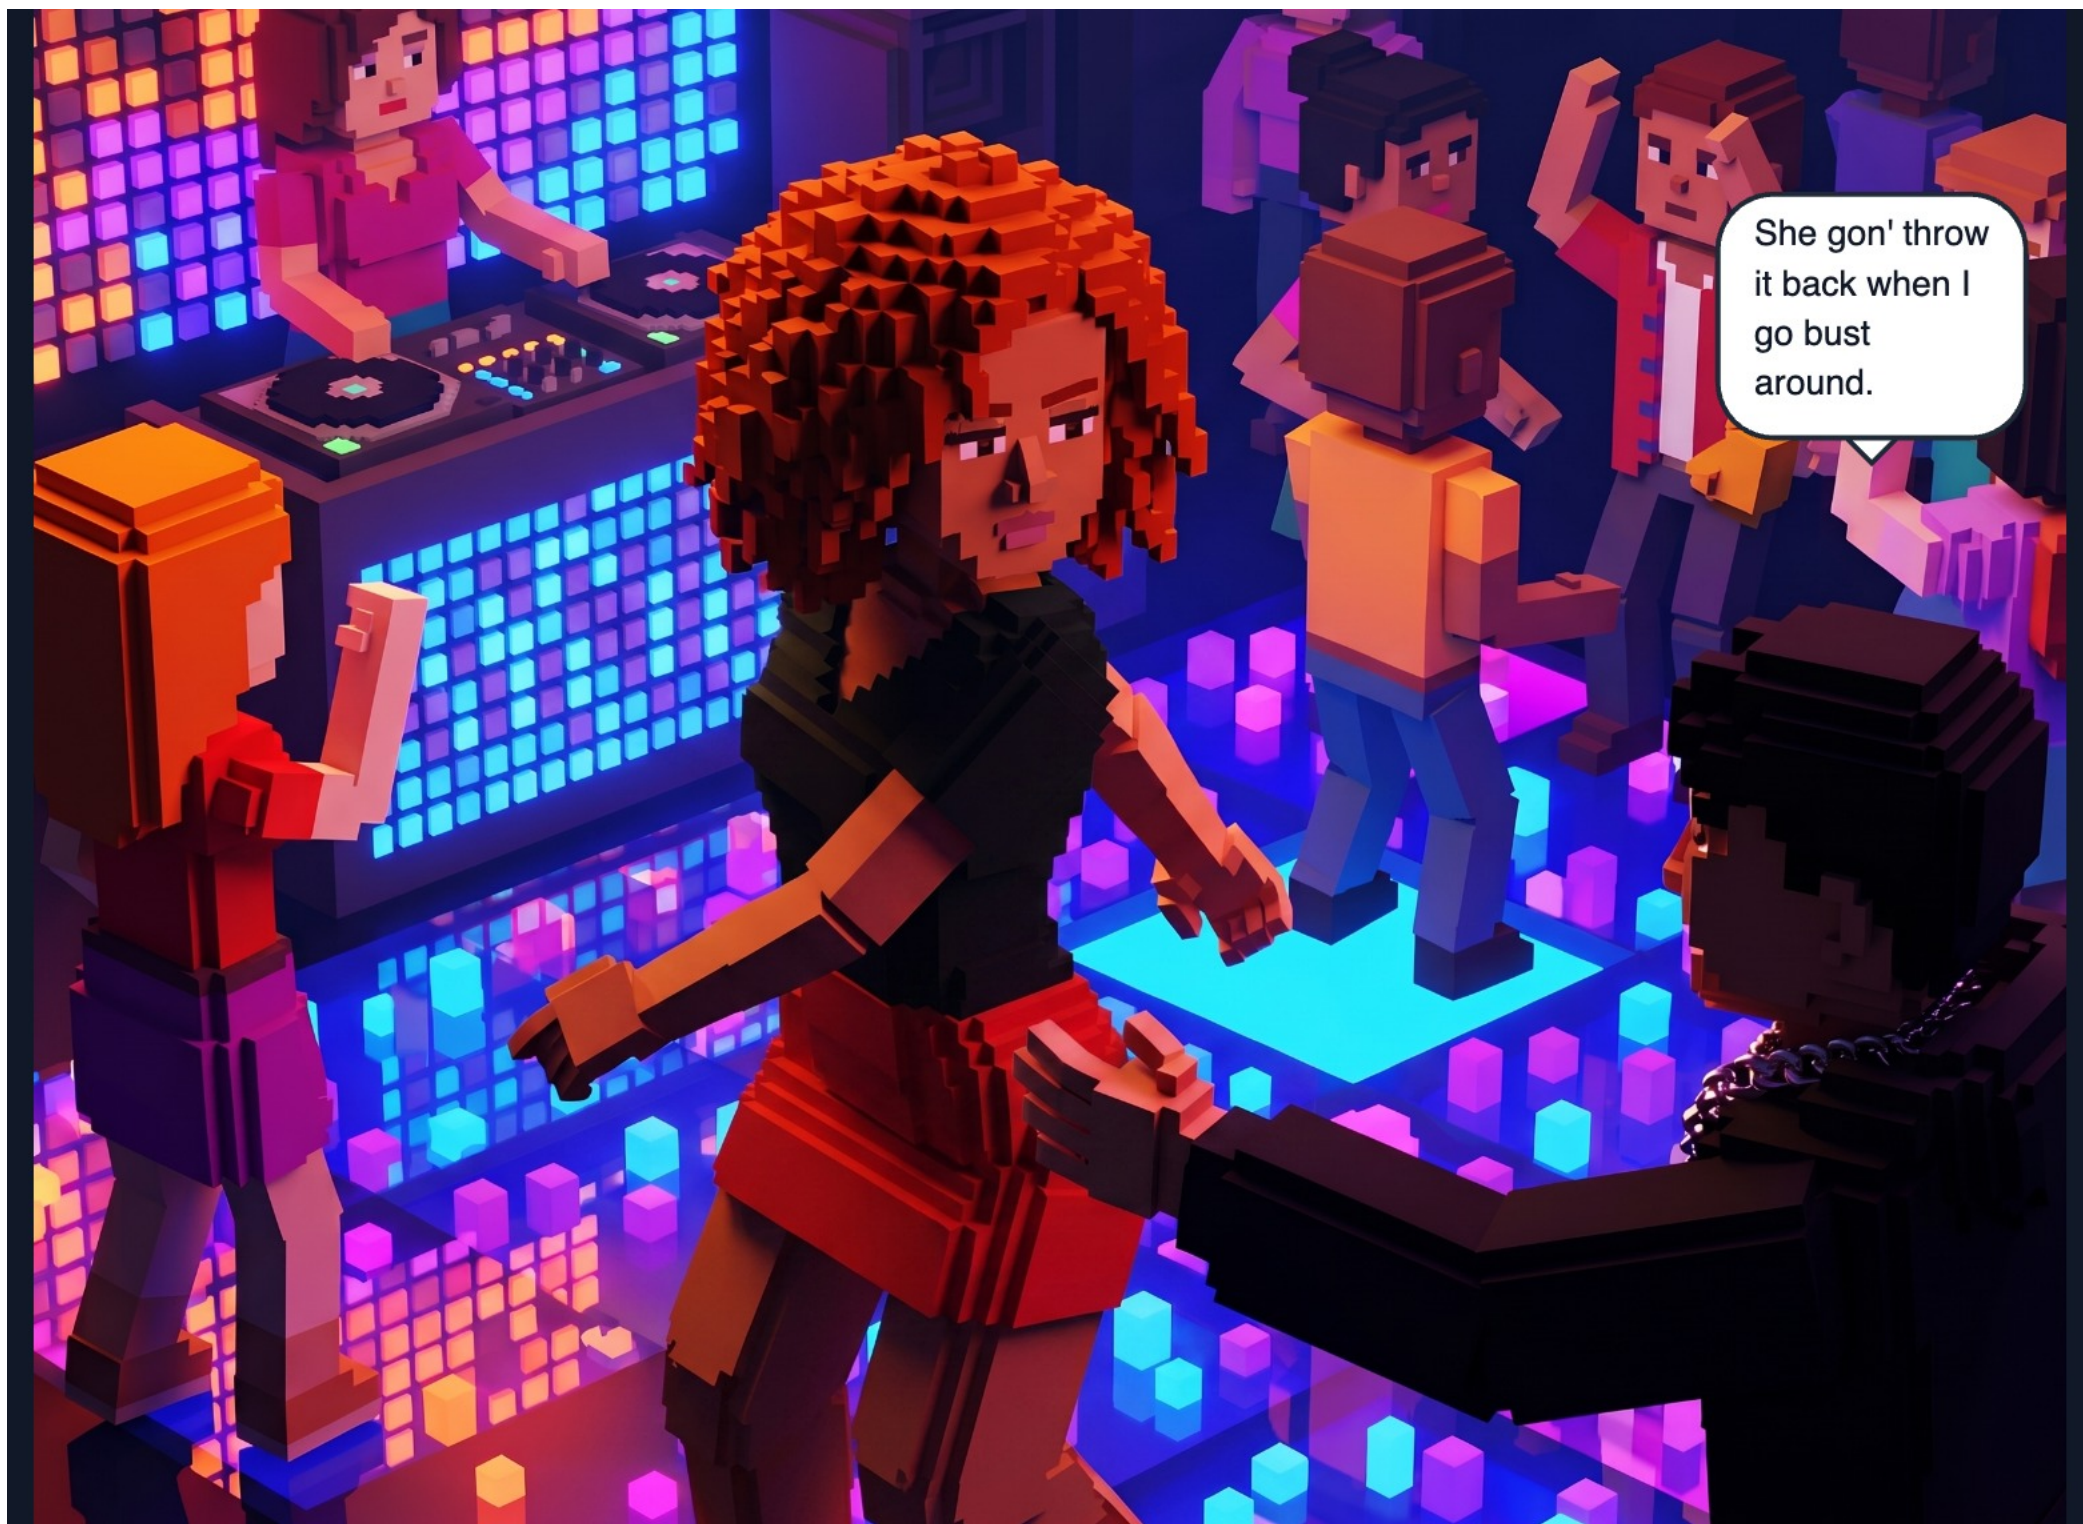

She work that hard every day, let me
show you why you meant for me.

She on my zelly and I
done turned into a
freak. Mm, she got
me bugging!

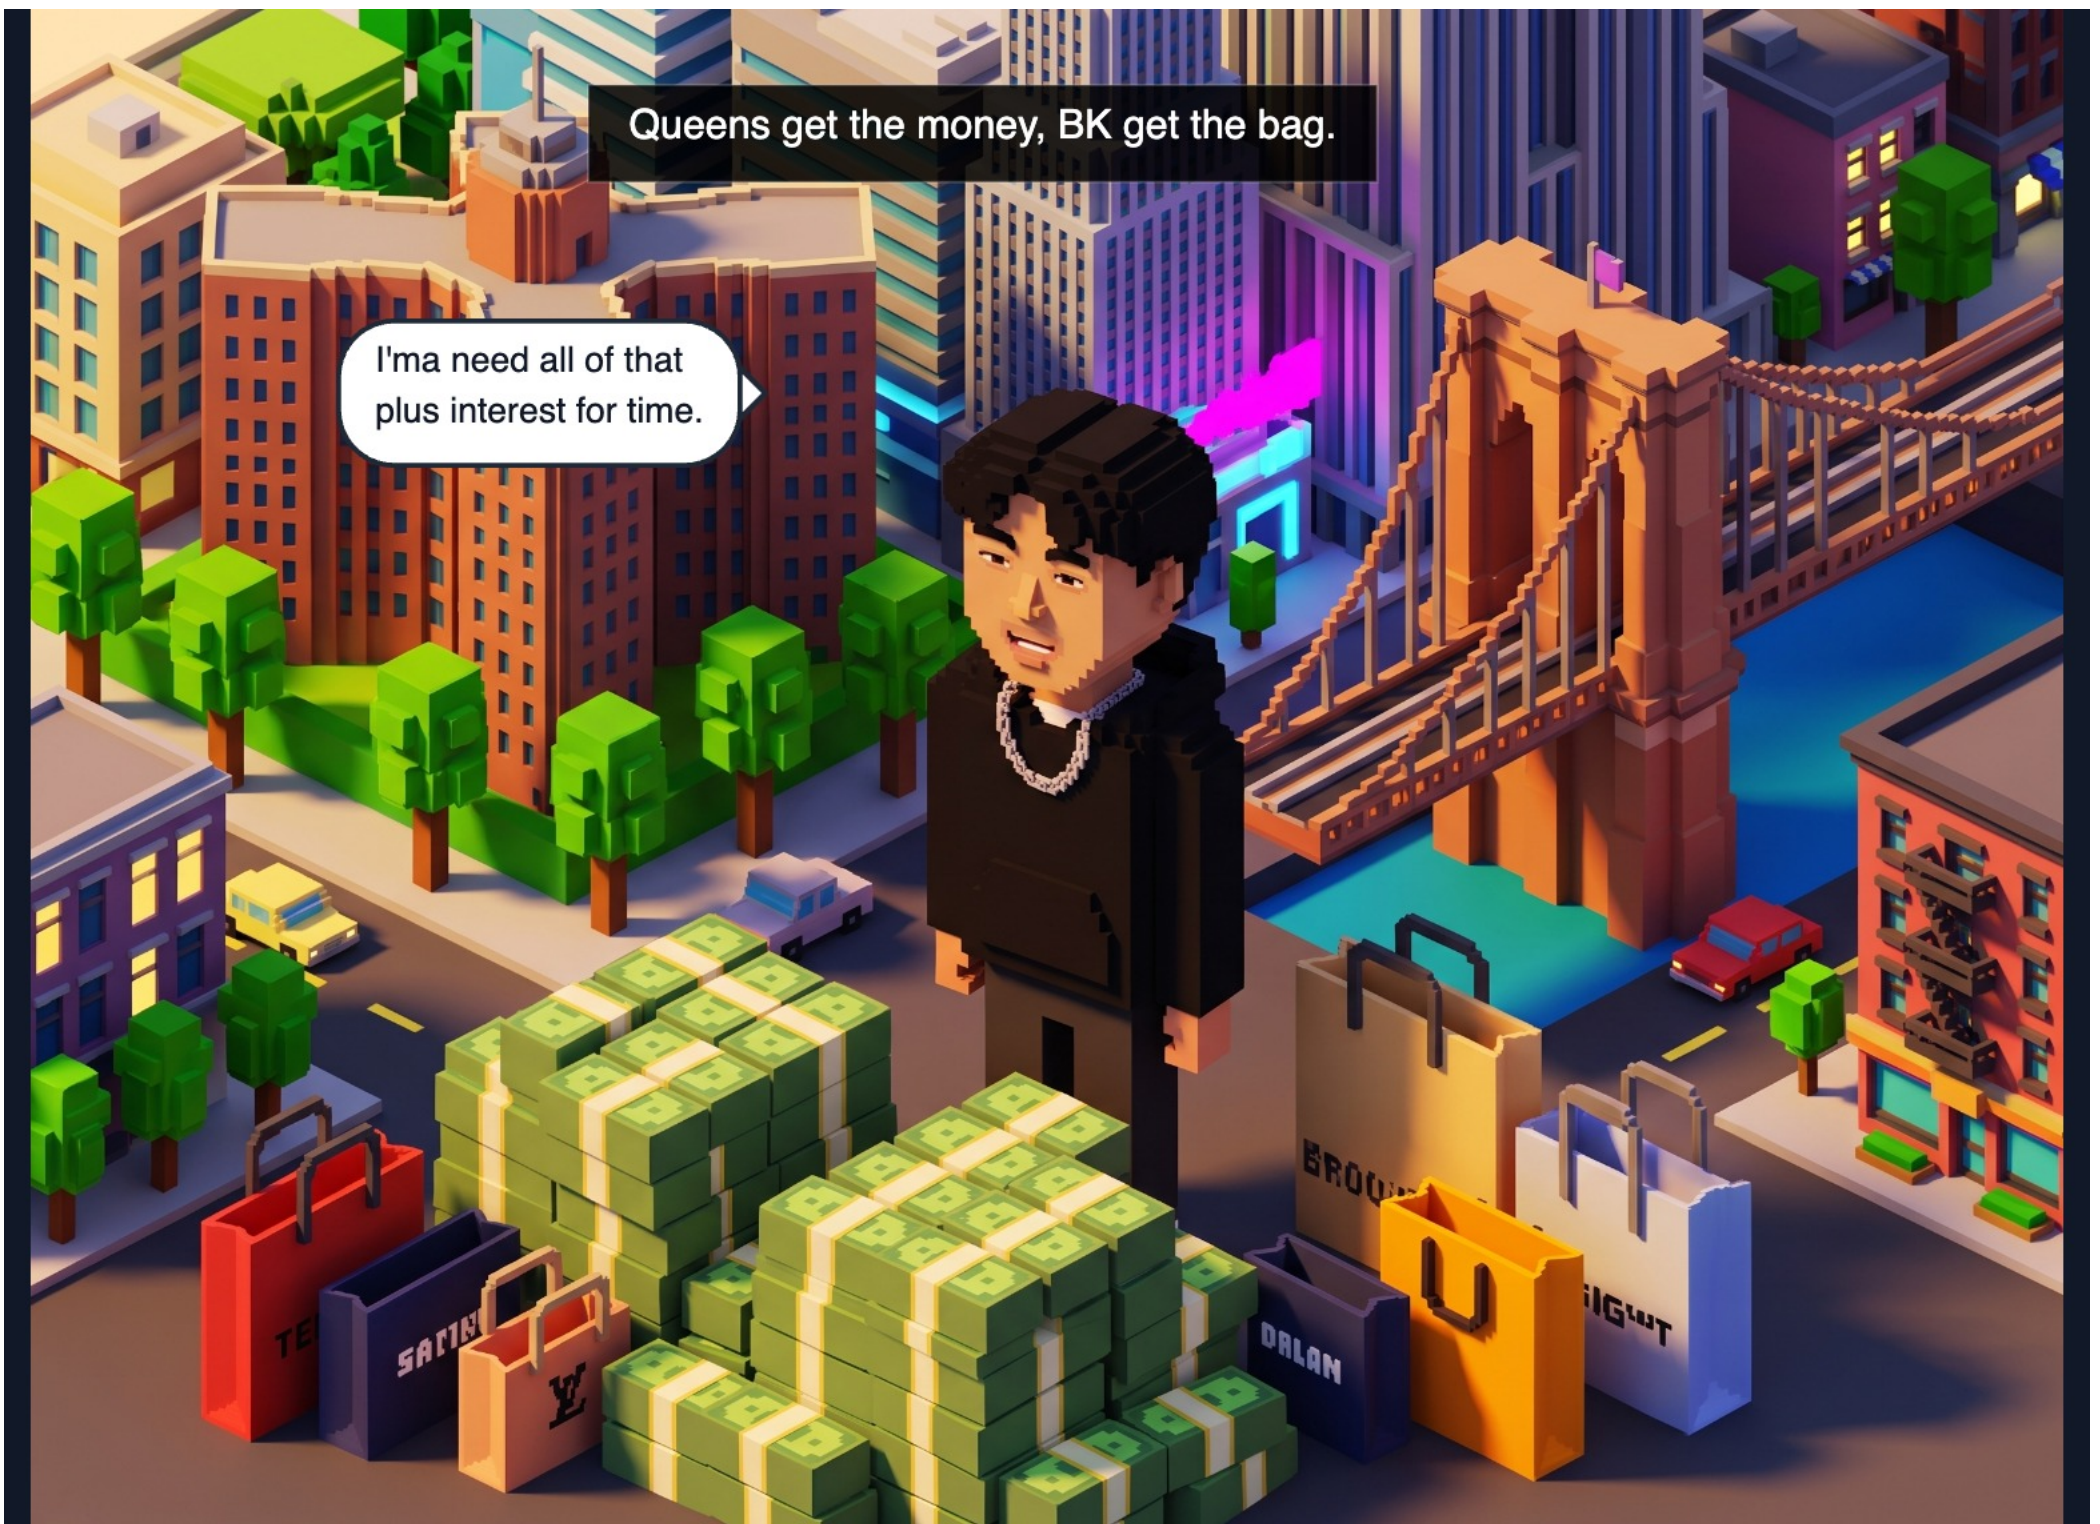

I'ma need all my nerds, freaks, geeks, up to the front! Ladies, if you got a little munyun, I'm tryna, uh, uh!

Queens get the money, BK get the bag.

I'ma need all of that
plus interest for time.

Aja, Caban, all of your bread and your bank in the mind.
